Chairman's Comments

Fellow Republicans –

The coronavirus pandemic has created unique and unprecedented issue within our State and County. My hope is that you are all safe, healthy and “hunkered down” during this health crisis. The pandemic has ushered in dramatic change and economic hardship. I know as Hoosiers that we will persevere and come out of this crisis stronger.

Our Governor, Eric Holcomb, continually reminds all Hoosiers, “Social Distancing is the best tool we have to flatten the curve.” As Hoosier we all must support, promote and practice “Social Distancing.”

As for our primary and general election, the primary has been moved to Tuesday, June 2nd and the general election date remains the same, Tuesday, November 3rd. Speaking of the primary, I’m encouraging all of you to consider voting by mail. Voting by mail in this primary election will ensure social distancing and work to lessen the possibility of transmission/infection. Further down in this newsletter are the details and links.

Please support and encourage our Republican Candidates and promote the offices that they’re seeking. The success that we have as a party will be based on getting our message out to the voters and making sure folks come out and vote in the May Primary and November General Election. Our communities deserve the very best and we need to continue the success that we’ve had over the last several years.

Please join us in continuing the effort to Social Distance, Wash Our Hands, Cough/Sneeze into your Sleeve, Stay Home if you’re Sick! Let’s “Hunker Down”, flatten the curve and keep our Families, Friends, Communities, and State and Nation a place to raise our families in safety and comfort. A place where opportunities exist for economic expansion, wage growth and job opportunities for everyone. Thank you.

Michael Simpson, Chairman

Republican Candidates U.S. Congressional District 1

DION BERGERON

Dion Bergeron is a 46 year old father of 5 children ranging in age from 23 to 12. He and his wife, Elizabeth, a Medicaid Waiver Case Manager that works with the developmentally disabled, have been married for 10 years and live in Michigan City. Their 3 teenage boys live with them, while his 2 adult daughters live on the East Coast. He is a former truck driver/trainer, former Correctional Officer, and lifelong Patriot.

MONT HANDLEY

Mont Handley is the Entrepreneur in Residence and Associate Director of Purdue University Northwest's Commercialization and Manufacturing Excellence Center in Hammond. Mont oversees a facility dedicated to commercializing innovative, new products and mentoring early stage startups in the region. He is a veteran, serving in the U.S. Army Military Police Corp from 1982-1984 after graduating from Merrillville (Indiana) High School. He graduated from Purdue University in 1988 on the G.I. Bill.

SPENCER T. LEMMONS

I have grown up and lived in Northwest Indiana my entire life. After graduating from Hobart High School in 2008, I joined the Marine Corps serving four years. I then began a career as a 911 dispatcher at the Hobart Police Department and have also served in the Munster and Hammond Police Departments as well. As a Police Officer, I have seen first-hand what 35 years of Democratic Policy has done to our community. While the rest of the state thrives, our district still remains with a higher unemployment than both the state and national average. I will bring a conservative voice to Northwest Indiana and take it all the way to Washington, D.C.

MARK LEYVA

I am a lifelong resident of Lake County Indiana since 1959. Grew up in East Chicago and went to grade school at Holy Trinity Croatian. My family moved to Highland and I graduated from Highland High School. My father Anthony D. Leyva was a school teacher for over thirty-five years in the school system of East Chicago and finished his career at West Side. My grandmother moved to East Chicago in 1923 from Mexico and remarried to my grandpa Roque. I have one son that is currently in the U.S. Army for 18 years. I am very proud of Staff Sgt. Mark Leyva. I am currently self-employed as a carpenter. My previous employment prior to caretaking of my father before he passed was a steelworker, non-union home carpenter and then a union carpenter from IL local 434.

WILLIAM F. POWERS (BILL) — Mr. Bill Powers has directed us to post his telephone number in the *Eagle Eye* so that constituents can call and speak with him personally with regard to his qualifications and goals for the Congressional District 1 seat. He may be contacted at (219) 309-7214.

DELANO M. SCAIFE

Delano Scaife, a Porter County resident, has resided in Indiana's 1st Congressional District for over a decade. He is a proud father and husband, and is currently employed as a Deputy Sheriff for the Lake County Sheriff's Department. He was sworn in as a Deputy Sheriff to the Lake County Sheriff's Department in November of 2011. Delano is a Purdue Alumni, where he received a Bachelor of Science degree in Business Management with a concentration in Marketing. He is also a DePaul Alumni from DePaul University where he received a Master of Public Administration degree in June of 2018. From his educational background and community involvement, Delano was selected to be a Mayoral Fellow for the City of Chicago in the summer of 2017, where he worked as a policy analyst for the former Chicago Mayor Rahm Emanuel. In addition, he joined various groups including the Lake County Right to Life, Working Families United for Tradition Values, The Share Group, F.O.P. Election June 2, 2020 How it will work

INDIANA ELECTION DIVISION UPDATE: MARCH 20, 2020 FAQs

Will other deadlines such as voter registration, campaign finance, and all absentee options change as a result of moving the primary election to June 2, 2020?

Yes. The Indiana Election Division is working on updating its brochures, publications, and forms to reference these new dates. However, dates related to candidate filing, at this time, remain the same. Please see revised 2020 Election Calendar brochure.

If an individual supplied an absentee ballot application and the form is changed, will the old version of the form be OK to use?

Yes. Old versions of the 2020 forms will be grandfathered for use in the June 2, 2020, primary election.

If our county began mailing absentee ballots out already, must we continue doing so?

Yes. State law requires that the absentee ballot be mailed to the voter the same day the application is reviewed and approved. (IC 3-11-4-18) We understand staffing levels may be limited at this time and it may not be possible to approve an application the same day it is received.

If our county did not mail absentee ballots out already, do we need to do so today, March 20, 2020, or tomorrow, March 21, 2020?

Out of an abundance of caution, IED suggests any military and overseas voter who submitted a Federal Post Card Application (FPCA) should have their absentee ballot sent to them by Saturday, March 21, 2020. For voters applying to vote-by-mail using the ABS-Mail application **and** the county has not yet mailed out their absentee-by-mail ballots, then this deadline to mail the first batch of absentee ballots will extend to a later date.

Do the deadlines for finding staff – absentee voter boards, central count teams, and poll workers – extend, too?

Yes. However, if your county has begun its absentee-by-mail process, then you will need to continue to make use of the absentee voter boards assistance, when practicable.

How can we manage traveling board in nursing homes when only their essential personnel has access to the site?

The Indiana Election Commission will be considering a proposal to allow for medical personnel inside the facility to act as a travel board team to assist a voter who cannot personally mark their own ballot. The IEC is scheduled to meet at 10AM, Wednesday, March 25, 2020, in the Statehouse Atrium. More information will be forthcoming after this meeting.

Are elections workers considered essential personnel?

The U.S. Department of Homeland Security added elections workers to its list of essential government personnel on March 19, 2020. This is not a mandate, as our office understands, but may be helpful in gaining access to your workspace or to travel, if there are travel restrictions.
